Gentlemen:

It has come to our attention that you have buildings under construction on Lots 133 & 134 Revolutionary Road. However, our records show you have not applied for "Permits to Construct within a Public Way". The permits must be applied for prior to any curb cuts being made to assure driveway construction according to the Town cross section as well as proper replacement of any curbing and road bounds that may be disturbed.

Each permit must be accompanied by a \$5.00 fee as well as a \$250.00 bond for each in the form of a certified check or a bank book made out to the Town of Acton. The bonds will be returned to you upon satisfactory completion of the work.

Very truly yours,

John T. Condon  
Town Engineer
